ALEXANDRIA, VA., TUESDAY EVENING, NOVEMBER 28, 1905.

PRICE 2 CENTS.

Many people are afraid of ghosts. Few people are afraid of germs. Yet the ghost is a fact and the germ is a fact. If the germ could be magnified to the size of a ghost, it would appear more terrible than any fire-breathing dragon.

Germs can't be avoided. They're in the air we breathe, the water we drink. The germ can only prosper when the condition of the system gives it free scope to establish itself and develop. When there is a deficiency of vital force, languor, restlessness, a salivary gland, a hollow eye, when the appetite is poor and the sleep is broken, it is time to guard against the germ. You can fortify the body against all germs by the use of Dr. Pierce's Golden Medical Discovery. It increases the vital power, cleanses the system of clogging impurities, enriches the blood, puts the stomach and organs of digestion and nutrition in working condition, so that the germ finds no weak or tainted spot in which to breed. "Golden Medical Discovery" contains no alcohol, whiskey or other intoxicant.

"Your 'Golden Medical Discovery' is a sick man's friend," writes Geo. N. Turner, Esq., (Ex. Financial Secretary International Brotherhood of Teachers), 228 California Street, Denver, Colo. "For the past seven years my health gradually failed. I lost my appetite, became nervous and debilitated, very despondent and unable to sleep. No medicine helped me until I tried Dr. Pierce's Golden Medical Discovery. It put new life into my veins and increased vitality until I could once more enjoy life and attend to my business. Light bottles affected a complete cure and gladly do I recommend it."

Dr. Pierce's Pills—only one or two a day will regulate and cleanse and invigorate a foul, bad stomach, torpid liver or sluggish bowels.

FOR PEOPLE ALL

In Chorus Cried, Give Us Newbro's Herpicide.

"This word of late has been in everyone's mouth, and many are wondering what the word signifies, though no one has yet been found, who will deny that NEWBRO'S HERPICIDE does the work. Well, for the information of thousands of people who like to know all about a good thing, we would say that HERPICIDE means a destroyer or killer of 'Herpes.' Now 'Herpes' is the family name of a disease caused by various vegetable parasites. A similar microbe causes dandruff, itching scalp, and falling hair; this is the microbe that NEWBRO'S HERPICIDE promptly destroys; after which the hair grows. Sold by leading druggists. Send 2c. in stamps for sample to The Herpicide Co., Detroit, Mich."

### Governor and Ex-Congressman Fight

Gov. Davis and Hugh A. Dismore, former Congressman, had a lively personal encounter in the Washington Hotel, at Fayetteville, Ark., Sunday night, in which both men were injured, the governor the more severely. The governor left Fort Smith late Sunday night to visit Fayetteville. There he met Dismore and Jack Walker, a traveling man, in the rounds. Dismore asked for a private interview. Davis agreed, taking one of his friends to the room. Dismore there demanded a letter written by him to United States Senator Berry, who is a candidate for reelection, and against whom Davis is running, which it is alleged had mysteriously disappeared from the postoffice, and later turned up in the hands of Davis, who was using it for campaign purposes.

In a statement given out later, the governor declared he had been assaulted in the room. At any rate, he came running out calling for the police. The others of the party followed, and Dismore overtook Davis on the steps and again demanded the return of the letter. Davis replied that it was in Little Rock, but continued to call for the police.

Dismore then called Davis "a liar and a thief," whereupon the governor hit him over the head with a heavy cane, breaking the cane. The governor grabbed the heavy end of the cane as if for further use. Dismore was only stunned and quickly arose with a revolver in his hand. Davis started to run, with Dismore after him.

Dismore beat the governor over the face and head with the gun, chasing him over the rounds of the hotel. Davis begged Dismore not to kill him, and offered no defense to the blows which were rained upon his head.

After Dismore arose and started after Davis a man named Moore, one of Davis's adherents, drew a revolver and started to interfere in Davis's behalf. Walker placed a revolver at Moore's breast and forced him into a corner. Davis finally escaped.

Doctors took fourteen stitches in wounds on the governor's head. Dismore was only slightly bruised.

### Assaulted in St. Petersburg.

Robert Woods Bliss, of New York, second secretary of the American Embassy, who has just returned to St. Petersburg after three months' vacation in Paris, was the victim of an outrage by rowdies in one of the most fashionable streets of the Russian capital late Sunday night, and only escaped being beaten to death through the timely arrival of the police.

Charge d'Affaires Eddy has reported the affair to the authorities at Washington, but, as the incident was a plain case of rowdism, he probably will not make official representation at the foreign office at St. Petersburg unless instructed to do so.

Mr. Bliss was returning to the embassy on foot from the yacht club, where he had been dining.

On the Horse Guard Boulevard, opposite the barracks of the Chevalier Guard, the secretary was suddenly set upon by two young men, who sprang out of the darkness of the trees. Mr. Bliss knocked down one of his assailants, but was seized by sympathizers of the rowdies, who had been attracted to the spot by the disturbance, and he was getting the worst of it, when three policemen and a house porter came to Mr. Bliss's rescue and seized his assailants.

The rapidly gathering crowd, however, which promptly sided against the police, rushed at the officers and rescued the prisoners. The police managed to stand off the crowd and cover the retreat of Mr. Bliss, who was badly cut about the face but not seriously injured.

Yesterday a police captain visited the embassy and apologized for the attack on Secretary Bliss, but he warned the members of the embassy that the streets were very unsafe, especially the boulevard, which is the rendezvous of rowdies and soldiers and sailors in civilian clothes. The captain advised the members of the embassy to go armed in future, and not to venture in the streets at night except in carriages.

Charge d'Affaires Eddy yesterday afternoon sent a note to Count Lamsdorff, the foreign minister, calling his attention to the assault on Mr. Bliss, but making no demands.

A Creeping Death. Blood oozing through the heart, causing death. J. E. Stearns, Belle Plaine, Minn., writes that a friend dreadfully injured his hand, which swelled up like blood poisoning. Bucklen's Arnica Salve drew out the poison, healed the wound, and saved his life. Best in the world for burns and sores. See at E. S. Leadbeater & Sons' drug store.

Herb W. Edwards Injured.

Herb W. Edwards, of Des Moines, Iowa, got a fall on an icy walk last winter, spraining his wrist and bruising his knees. "The next day," he says, "they were so sore and stiff I was afraid I would have to stay in bed, but I rubbed them well with Chamberlain's Pain Balm and after a few applications all soreness had disappeared. I feel that this bottle of Pain Balm saved me several days' time, to say nothing of the suffering." This liniment is for sale by Gibson & Timberman and W. F. Creighton & Co.

### Sultan to Yield

The Vienna Neue Freie Presse yesterday published dispatch from Constantinople, saying that the Sultan, through Tewfik Pasha, the foreign minister, has announced to Baron von Calice, the ambassador of Austria-Hungary, that Turkey accedes to the demands of the powers regarding the financial control of Macedonia.

A dispatch from Constantinople says that the instructions to the commanders of the international fleet were to land detachments and occupy Mytilene at 1 o'clock Sunday afternoon unless orders reached them in the interim. Presumably, therefore, the capital of the island is now in the hands of the allied forces. It was arranged in the interview between Tewfik Pasha, the minister of foreign affairs, and the British and Austrian ambassadors on Saturday that if by 8 o'clock Saturday night the ambassadors received a written notification from the Minister promising acceptance of the demands of the powers the ambassadors would telegraph to the fleet at Mytilene to suspend further operations until Monday. No communication, however, was received, so it is suggested that instructions staying the hands of the commanders of the international fleet have not been dispatched.

The London Daily Mail publishes the following dispatch from Mytilene, dated November 27: "Eight warships of the combined fleet arrived here at 8 o'clock this morning. Admiral Ritter von Jedina, accompanied by the Austrian consul, proceeded to government house at 10:30 o'clock and handed an ultimatum to the governor. At 1 o'clock this afternoon 500 sailors landed and seized the customs and telegraph offices. Everything is quiet."

### Disorders in Spain.

War Minister Weyler has left Madrid for Barcelona to investigate and repress Catalonian disorders. There have assumed serious proportions between the military and separatist elements.

A number of street demonstrations have occurred, during which the troops have been jeered, the crowds crying: "Death to Spain!" "Long live free Catalonia!" The government reports show that the military forces are now masters of the situation, but the troops are held in their quarters, owing to fears of another collision between the population favorable to Spain and the minority favorable to separatism.

General Weyler expects to remain five days in Catalonia. He has been authorized to take all the measures necessary to restore order.
